Electronics, Embedded Systems and High Value Manufacturing

Focus Group
7th February 2011

The BIG-Kent network, in partnership with key business support organisations, will be hosting the Electronics, Embedded Systems and high value manufacturing focus group. The meeting will be held at 10:00 to 14:00 on the Medway Campus (ME4-4TB) at Chatham Maritime on the 7th February in the Blake building, room B028. Please contact us to register and for directions.

Tentative agenda:

- 10:00 Welcome and round table introductions
- 10:30 London Technology Network & European Enterprise Network – overview
- 10:45 Brief overview of the Research & Enterprise at Greenwich
- 11:00 Manufacturing Engineering Research Group
- 11:30 Round table discussion & mini workshop: Collaborative R&D
 - Joined up thinking: Identifying key points and industry issues
 - **Opportunities for Company pitches: short presentations/talks**
- 12:30 Lunch and networking
- 13:30 Round table discussion
 - Establishing an Industry led consortium in the Kent and southeast region for “Electronics, Embedded Systems and high value manufacturing”
 - Collaborating with EU members, EU FP7 & other funding sources
 - Next steps
 - Date for next meeting & AOB
- 14:00 Optional Lab visits

Open to public, private, not-for-profit, independent professionals in Electronics, Embedded Systems and high value manufacturing sectors.
